Welcome to Murdoch University

Studying at Murdoch University is not just about learning in your chosen field. You will explore new ways of thinking, discover different perspectives and make a difference by applying cutting-edge theory with real-world experience to ensure you are ready for a successful and long-lasting career.

We are passionate about what we do here at Murdoch, and we are here to help you get the skills, knowledge and life experience you need to achieve your goals and career aspirations.

With over 200 courses available to our International students, choosing to study at Murdoch means you will join more than 23,000 students from over 85 countries in celebrating all that Murdoch has to offer.

Ranked as one of **Top 100 Young Universities in the world¹**, Murdoch is proud to welcome you into our ever-growing global community, where pioneering minds are brought together to celebrate education, diversity and innovation.

¹Times Higher Education Young University Rankings 2017

Our Murdoch Community

At Murdoch, you are not just a number. Choosing to study at Murdoch means you will become part of our close-knit community of pioneering minds and forward-thinking individuals, challenging convention and finding tomorrow's answers, today.

As part of this community, you will be encouraged to step out of your comfort zone and learn to think outside the box, where getting involved, having fun and making lifelong friends will ensure you have a memorable university experience.

You will get to experience a variety of fun events and activities on campus, where you will have access to over 100 clubs and societies through our Student Guild. You can volunteer, take part in our multicultural day, join a sports team or participate in other campus events such as O-Festival or Stamp Out Stress Day, the choice is yours!

"My time at Murdoch has by far been one of the most amazing experiences of my life. Before leaving home and traveling to Perth to begin my three and half year journey, I was overwhelmed with an array of conflicting emotions, from joy to sadness, excitement to fear. All of the emotions soon subsided when I arrived and was replaced with just one, appreciation. I appreciated the people, the assistance I received, the beauty of the campus, the opportunity, the experience and the country. Even after two years, I am still so thankful that I chose Murdoch to be my university."

KATRINA LEE , BACHELOR OF SCIENCE (PSYCHOLOGY), SINGAPORE

Scholarships

Murdoch understands that studying at university can be a life-changing experience. As an International student, moving abroad to study can be a daunting task.

That is why we want to help. Offering a range of scholarships for commencing and existing International students, you can focus on the important things, like making the next big breakthrough in your field, while we take care of any financial hardships you may be facing.

To browse our full list of International Scholarships, head to: goto.murdoch.edu.au/internationalscholarships

International Welcome Scholarship

An International Welcome Scholarship can provide between AUD\$8,000 and AUD\$11,000 towards your tuition fees.

If you are studying a Bachelor of Nursing, or any eligible course under the School of Business and Governance, you may be eligible for up to AUD\$11,000. Students from all other eligible courses could be awarded up to AUD\$8,000.

Recipients of an International Welcome Scholarship will have the award amount paid into their student tuition account in four instalments over 2 years.

The International Welcome Scholarship is available for the 2018 and 2019 intake period, for students starting their studies at one of Murdoch's Western Australian campuses. To find out if you are eligible, please visit: goto.murdoch.edu.au/InternationalWelcomeScholarship

International Welcome Scholarship - Australia

An International Welcome Scholarship – Australia can provide International students residing in Australia with a course tuition fee contribution valued at up to 20% of the students total course fee. There is no financial pay-out associated with this particular scholarship, instead eligible students receive a 20% reduction of the course tuition cost for the duration of their course.

The International Welcome Scholarship – Australia is available to students who are:

- An international full fee-paying student residing in Australia at the time of application studying an undergraduate, honours, graduate diploma or master-level degree;
- Commencing studies at one of Murdoch's Western Australian campuses in 2018 or 2019;
- Commencing studies in an eligible coursework program; and
- Not a recipient of any other Murdoch University scholarship.

To find out if you are eligible, please visit: goto.murdoch.edu.au/IWSAustralia

Murdoch University Academic Excellence Awards (MUAEA) - International

Murdoch University Academic Excellence Awards (MUAEAs) are available for both undergraduate and postgraduate Murdoch students, offering students AUD\$5,000 towards their degree if they have a previous record of high academic achievement in their studies.

To find out if you're eligible for a MUAEA – International Scholarship, visit: our.murdoch.edu.au/Student-life/Finances/Browse-scholarships/UG_AEA-UG-International/

About Perth

Our main campus is located in Perth, Western Australia – the 7th ‘most liveable’ city in the world. Home to more than 2.5 million residents, Western Australia boasts some of the best coastlines in Australia. From the crystal clear waters of the Ningaloo Reef, to the awe-inspiring Karri Forests of the South-West, Western Australia has it all.

THE MOST AFFORDABLE CITY IN AUSTRALIA

LIFE IN PERTH IS CHEAPER THAN ALL OTHER MAJOR AUSTRALIAN CITIES, INCLUDING SYDNEY AND MELBOURNE!

Perth - The gateway to the world

Not only does Perth share the same time zone as 60% of the world, but it is the only Australian city to offer direct flights to Europe:

- ↖ London (17 hours)
- Sydney (3.5 hours)
- Melbourne (3 hours)
- ↑ Bali (3.5 hours)
- ↖ Bangkok (7 hours)
- ↖ Singapore (5 hours)
- ↖ Jakarta (4 hours)
- ↖ Kuala Lumpur (5.5 hours)
- ↑ Hong Kong (8 hours)
- ↖ Dubai (14 hours)

Acknowledgement of Country

We acknowledge the Whadjuk people of the Noongar nation as the Traditional Custodians of this country and its waters and that Murdoch University stands on Noongar Country. We pay our respects to Noongar Elders past and present, and acknowledge their wisdom and advice in our teaching and cultural knowledge activities.

- Eeva Leinonen, Vice Chancellor.

Located on the shores of the Swan River, Perth's warm, dry summers and cool, wet winters make for a great destination all year round. Offering a large shopping district with a cosmopolitan mix of cafes, restaurants, pubs and thriving nightlife, Perth City is suitable for students from all walks of life.

Murdoch's Perth campus is located approximately 15 minutes from both the historic port-city of Fremantle and bustling City of Perth, making it easy for our International students to spend their free time exploring and participating in a range of activities and events.

For those wishing to stay a bit closer to home, why not spend some time exploring our campus? With a range of cafes, eateries, sporting facilities and bush walks, our South Street campus is one of the largest university campuses in Australia, with more than 227 hectares of natural bush environment and farmland.

Features of Perth

Beaches

Did you know that Western Australia (WA) is home to seven of the top 25 beaches in Australia?* With over 12,500km of coastline in WA, there is no shortage of beaches for you to explore.

*TripAdvisor Travelers' Choice Awards 2017

Biodiversity Hotspot

Perth is the capital of the Southwest Australian Ecoregion, one of only 34 Biodiversity Hotspots in the world. Take a trip to Rottnest Island and meet one of the always smiling Quokkas, or visit Kings Park and Botanic Garden and see if you can spot an endangered Carnaby Cockatoo.

Culinary Experience

WA is home to two of the best wine and food-making regions in the world. Easily accessible from Perth, the Swan Valley and Margaret River regions make for a great day trip or longer holiday-stay.

Elizabeth Quay

Elizabeth Quay is Perth's new waterfront entertainment and leisure precinct, connecting the city to the Swan River. With regular and exciting events, you'll easily find things to do and see at the quay.

Support where it matters

Travelling to a new country to pursue your studies is a big step. Having the courage and conviction to follow your dreams and take your studies to Murdoch means you are already part of our global community of creative and forward-thinking minds that thrive from experiencing the best of what the world has to offer.

To help you adjust to a new country and university life, Murdoch has a dedicated support team for our international students. Pre-departure support, course and career advisors, a range of health services, academic support and equity & social inclusion services are all available to our students. Some of the support services we have on offer include:

Student Support team

The Student Support team is based in the Student Centre and looks after International students from their first day at Murdoch to their last.

Careers and Employment Centre

The careers and Employment Centre is a professional support service that is available to Murdoch's current students and Alumni, offering assistance with finding work and enhancing employability.

Work eligibility

Did you know that your student visa allows you to work up to 40 hours a fortnight while you study in Australia? For help with your CV, interview coaching and an extensive resource library, Murdoch's Careers and Employment Centre is here to help.

Equity and Social Inclusion Office

The Equity and Social Inclusion Office seeks to ensure the student experience at Murdoch University is free of discrimination and that all students are provided with an equal opportunity.

Centre for University Teaching and Learning

The Centre for University Teaching and Learning (CUTL) brings together the areas of academic staff development, work-integrated learning, educational technologies, learning support and access programs.

Student Advisors

Student Advisors are based in all schools across Murdoch University and are there to help with any questions or problems you may have with your course.

Student Centre

The Student Centre is a friendly and efficient hub located at Murdoch's Perth campus, where you can find out everything you need to know about your life at Murdoch.

Student Guild

The Student Guild offers students opportunities to get involved in student life and to be part of the wider West Australian community.

Other Specialised International Support Services include:

- Murdoch Academic Passport (MAP)
- Specialised Support for Postgraduate Students
- UniEdge Transition Program
- Language and Cultural Exchange (LACE) Program

For commencing International students, we also offer an International Orientation Week (O-week), where staff and student volunteers will help guide you around campus and through various planned activities. O-week is great for learning about your course, study skills, health and safety issues, social events and meeting fellow International students.

Schooling for your family

In Western Australia, International students undertaking any level of tertiary study are able to enrol dependant(s) into an approved CRICOS government or non-government school when travelling in compliance with their visa rules and regulations. All dependants must obtain a visa in order to enter and study in Australia and both government and non-government schools require the payment of tuition fees.

Dependants of Masters and PhD degree students are not required to pay international student tuition fees for the duration of their parent or guardians postgraduate study period, but will still be required to pay domestic fees where applicable.

Student exchange

As an International student at Murdoch, you have the opportunity to participate in a range of short and long-term student exchange programs with one of our 60 partner universities from across Europe, Asia and North America. You could go on a school-led tour of Japan, spend a semester studying in Sweden or immerse yourself in the American culture in a year-long exchange.

Murdoch Institute of Technology

Murdoch Institute of Technology (MIT) provides International students with direct pathways to undergraduate study at Murdoch University.

There are a variety of programs and pathways from year 11 or 12 (or international equivalent) to suit students' individual academic needs and career goals. Developed specifically for International students, MIT together with Murdoch University offers packaged enrolments to assist in meeting the University's academic and English entry requirements. Successful students of these packaged enrolments are guaranteed direct entry into Murdoch University without having to re-apply.

English for Academic Purposes (EAP)

The EAP programs help students to communicate with confidence while improving vital study skills that are essential for success in an English-speaking academic environment. A student's current level of English literacy and their desired study pathway will determine which EAP program they will complete.

General English (GE)

The GE program is ideal for students who would like to improve their English language skills through an experienced team of teachers, focusing on fluency, accuracy and confidence in reading, writing, listening and speaking.

Murdoch University Preparation Course (MUPC)

The MUPC course prepares students for a successful transition into degree-level study, providing a pathway that allows students to enter into first year study of a bachelor degree at Murdoch University.

Diploma Programs (DP)

Units studied in the Diploma Programs are the same as those studied by first year Murdoch University students. As such, this pathway offers direct entry into second year study of a bachelor degree.

Pioneering research

Murdoch has always been a research-led University. Since our inception in 1973, we have encouraged both our academics and students to challenge conventional wisdom; to continue to grow as they explore a range of new, exciting, and never before examined concepts and ideas. At Murdoch, our researchers are providing solutions to global challenges through innovation and inspired thinking. If you think you have what it takes to join the ranks of some of the world's most progressive and thought-provoking minds, then Murdoch is the place for you.

Informing future leaders, nurturing innovative thinkers and inspiring problem-solvers who are capable of tackling the most pressing regional and global issues, studying a Research degree at Murdoch means you will:

- **Challenge yourself** - explore a new area of knowledge and challenge completely different research methods, or extend research already undertaken.
- **Work with world leading researchers** - you will learn and apply advanced research methodologies to produce new knowledge and provide solutions to challenges within your discipline area, under supervision of world-class academics and researchers.
- **Make a difference** - follow that burning desire you hold to make a difference in a specific field, where your findings may be published, presented and have a positive impact on the world.
- **Increase your career opportunities** - your research project will allow you to develop a new specialisation in your academic field to pursue future career prospects.
- **Solve a real-world problem** - discover new methods, understandings and techniques to make a difference to society.

- **Become an expert** - completing a research degree means becoming an expert in your field. It is your opportunity to take a topic that interests you, explore it in depth, tackle intellectual, creative and practical challenges, and communicate your findings.
- **Be rewarded** - Murdoch awards over \$2.5 million in scholarships each year.
- **Study in Perth** - renowned for its magnificent weather, pristine beaches and close ties to the booming Asian economies, Western Australia is an attractive place to live, work and study.

Research Scholarships

With one of Murdoch's research-based scholarships, you can focus on uncovering the latest breakthrough in your field with a range of scholarships covering both tuition fees and living costs. Completing your research degree is a life-changing experience, so not only do we provide our students with our own range of scholarships, but we can also help you to find a range of scholarships offered by external providers.

To find out more about Murdoch's extensive range of international scholarships, visit: goto.murdoch.edu.au/ResearchScholarships

"Murdoch considers research as a priority, involves pioneering and rigorous work and strives to make a difference in local and global community. It has world leading researchers and academics and can provide the necessary infrastructure and support resources."

AMANDA DUARTE BARBOSA,
PHD VETERINARY SCIENCE, BRAZIL

World-class facilities

To truly let your imagination run free, you need an environment that supports your creativity. An environment that allows you to explore the pressing issues of today, so you can find the ground-breaking answers of tomorrow. To do this, Murdoch has built a contemporary network of real-world learning environments; a collection of facilities, laboratories and simulation suites that provide you with all the resources and practical experiences you need to graduate career-ready.

Chiropractic Clinic

If you are a Chiropractic student, as you progress through your degree you will learn to treat real patients in our on-campus clinic, the Murdoch University Chiropractic Clinic. Housing a rehabilitation centre, physiological therapeutics facility, consulting rooms and a digital radiographic suite, you will get to apply your newly learnt skills across a range of different working environments, ensuring you are ready for the working world with sound knowledge in independent and evidence based patient-centred care.

Engineering Pilot Plant

Our nationally renowned Bayer Pilot Plant is where our Electrical Engineering students get unparalleled hands-on experience before they graduate. As Western Australia's only operational engineering pilot plant, this engineer's playground features advanced control systems using a modern industrial data acquisition and control platform, meaning you will graduate career-ready with unrivalled real-world engineering skills.

Information Technology labs

Step into the future with our new Information Technology teaching laboratory. Our IT lab is equipped with the latest virtual reality equipment, industrial technologies and a visible data server, which means you will have the freedom to get creative, collaborate with other students, develop your own original concepts and learn from Murdoch's leading academics.

Law Moot Court

As a Murdoch Law student, you will get to experience all the excitement, thrill and unpredictability of a real-life courtroom with our Herbert Smith Freehills Electronic Moot Court. Whether you are trying a case, or competing against other Law schools from around the world, thanks to the latest video satellite technology you will be equipped to handle any situation that comes your way.

Media Arts Centre

Our Media Arts Centre is where creative minds come to explore the power of media technology with our state-of-the-art simulation facilities. Housing industry-standard facilities, which include a digital TV studio, sound stage, control room, audio studio, four radio studios, a newsroom and a number of superbly equipped editing suites, you will graduate career-ready with a range of industry-experience under your belt.

Mind and Body Labs

Our newest lab space is where you can work with researchers, teaching staff and other students to conduct research projects or exercise physiology testing as part of your sports and exercise science or psychology degree. Our labs include a fitness testing area and DEXA machine, meaning you can learn a range of new skills in how to conduct body fat, bone and muscle mass scanning techniques.

Nexus Theatre

This professional theatre space provides Arts students with a dedicated area to refine their craft in both performance and production practices. Home to some of Western Australia's best emerging talents, this venue hosts community, musical, cultural and theatrical events; giving you the opportunity to turn your theoretical knowledge into hands-on practical experience with a range of industry-standard work-placements.

Nursing Simulation Suites

Our Mandurah and Perth campuses both offer excellent nursing facilities. In fact, our Perth campus has the newest nursing facility of any university in Western Australia and, in the case of an emergency, can be used as an operational hospital.

Our dedicated nursing spaces include fully-equipped clinical teaching wards, treatment areas and simulation suites where, as a nursing student, you will learn how to provide care under the supervision of technical simulation staff, who are also registered nurses.

Psychology Clinic

Our postgraduate psychology students have the opportunity to work with real clients in the fully-operational Murdoch Psychology Clinic. Our clinic offers psychological services to the public, ranging from baseline assessments to psychological therapy, where you will benefit from first-hand experience dealing with a range of cases and area specialisations.

Renewable energy facilities

If you are a renewable energy student, you will learn from our industry-experts in our state-of-the-art engineering facilities, including our outdoor test area, photovoltaic research equipment and a renewable energy-engineering laboratory, housing a comprehensive range of wind energy industry-standard software.

Leading academics

Sporting facility

With more than 100 clubs and societies on offer at Murdoch, you can make the most of your university experience with our recent \$5.2 million sporting facility upgrade, which includes two synthetic football (soccer) pitches, a cricket oval for summer cricket, new changing rooms, floodlights and spectator seating.

Sports Science Facility

If you are a Sports and Exercise Science student, you will learn in our recently upgraded \$4 million sports science facility. Fitted with the latest equipment, the three specialised laboratories, which include an exercise physiology lab, a performance lab and a rehabilitation, strength and conditioning lab, come complete with a climate and altitude chamber, motion capture systems, 50-metre running track and a fully-equipped gym with Olympic weightlifting facilities.

Veterinary hospital and working farms

As the only city-based university to offer an on-campus farm, our veterinary and animal science students get unrivalled hands-on experience across a range of industry settings. You can learn from leading industry-experts in our on-campus farm, or graduate as a career-ready veterinarian with work-placements and guided support in Murdoch's fully-equipped veterinary hospital, complete with cancer, equine and dermatology clinics.

SimLab

At Murdoch, you can make the most of our unique SimLab to get valuable teaching experience and feedback before you enter a real classroom.

The first university to offer a simulated teaching experience in Australia, SimLab allows you to practice your teaching skills in a virtual classroom environment with avatars who respond in real time to your instructions.

Dr Mathew Thompson

Lecturer in the School of Psychology and Exercise Science

As a Psychology student, you will learn from Dr Mathew Thompson, an expert in cognitive processes and on how we make decisions as human beings. Dr Thompson is fascinated by human perceptual expertise and has even had his research presented to the former President of the United States, Barack Obama.

"My most treasured intellectual achievement was having the findings of my research presented to the President of the United States in a report by the President's Council of Advisors on Science and Technology. I hope that my research will help to reduce error in safety-critical decision making in areas such as crime-scene forensics and diagnostic medicine."

Before starting at Murdoch, Dr Thompson was a Fulbright Scholar at the University of California, Los Angeles, and a Fellow at The University of Queensland and Harvard Medical School. He even worked with Australia's state and federal police agencies as well as the Department of Foreign Affairs and Trade, so has extensive industry experience and knowledge to offer Murdoch Psychology students.

Undergraduate Courses and Fees

At Murdoch, we know that in order to build a successful career our students must enter the workforce with a refined set of practical skills; having the ability to think both creatively and critically when faced with a range of issues. We are proud to offer our International students the choice of over 200 undergraduate and postgraduate degrees, where students will not only challenge the boundaries of conventional thought but uncover an enriching and career-building education experience.

What is a combined degree?

Offering a unique learning experience, at Murdoch you could have the opportunity to study two majors at once, broadening your career prospects. However, for those wanting to graduate with even more of an advantage, we offer combined degrees. A combined degree allows you to study a combination of two separate bachelor degrees, where you will graduate with two distinct award qualifications.

How to Apply

Applying to study at Murdoch is as easy as 1, 2, 3!

1 Your Application

Are you a citizen of and residing in Bhutan, India, Iran, Iraq, Lebanon, Nepal, Nigeria, Pakistan, Rwanda, Turkey, Vietnam or Zimbabwe¹?

Yes

To study an undergraduate, honours or postgraduate degree at Murdoch University, you must apply via one of Murdoch's Registered International Agents. Additionally, you must also complete and attach a Genuine Student Evaluation Form, which your agent can help you to complete!

To find your local agent and start your application process, visit: www.murdoch.edu.au/Apply-via-an-agent/

No

To study an undergraduate, honours or postgraduate degree at Murdoch, you can either apply directly to Murdoch online or via one of Murdoch's registered International Agents.

Prospective students that are citizens of and are residing in Bangladesh, China, Ghana, Kenya or Sri Lanka, must also complete and attach a Genuine Students Evaluation Form.

Direct applications can be lodged at: myadmission.murdoch.edu.au

or to find a local agent near you visit: www.murdoch.edu.au/Apply-via-an-agent/

2 Your Offer

If your application to study at Murdoch has been successful you will receive an Offer of Admission, which will provide you with all the information you need to know about course start dates, relevant course fees and important payment dates and deadlines. In the unfortunate event that your application is unsuccessful, you will be notified via email.

To accept your place at Murdoch, return your signed Acceptance Contract in addition to your compulsory fees, which will be outlined in your Offer of Admission. The fee amounts that will be payable upon accepting your Murdoch offer will include 50% of your annual tuition fees, your Student Services and Amenities Fee (SSAF) and any fees associated with your Overseas Student Health Cover (OSHC).

Once Murdoch has received your signed Acceptance contract and all payable fees, we will issue you with an Electronic Confirmation of Enrolment (eCOE), where you can then begin your visa application process through the Department of Home Affairs.

¹Please be advised that the above mentioned countries are subject to change without notice. To stay up-to-date with your application process and how to apply, please visit: www.murdoch.edu.au/study/apply-to-murdoch

What about my Visa?

After you have accepted your offer to study at Murdoch, it is time to apply for a student visa. If you applied to study at Murdoch through one of our reputable Agents, they will be able to assist you with this next stage of your application process.

For all other students, you can find all relevant visa rules, regulations and application processes on the Australian Government's Immigration website:
www.homeaffairs.gov.au

Need a helping hand?

For some, applying to university can be a daunting task. That is why over the years, Murdoch has worked hard to build a trustworthy and reliable network of International Agents whose sole purpose is to help you get to where you want to be, Murdoch!

All prospective students who choose to apply to Murdoch through a Murdoch registered agent have the added benefit of in-country support and counselling, where our qualified representatives have sound knowledge in the Australian education system, Murdoch University and the courses we have on offer.

Our global network of international agents can help you throughout your application process with:

- Course counselling and university recommendations
- Assistance with your Murdoch University application
- University correspondence
- Document organisation and collation
- Help with visa applications, questions and processes

To find an in-country agent near you, visit:

www.murdoch.edu.au/Apply-via-an-agent/

*Not all agents who claim to represent Murdoch are endorsed by Murdoch University. To check, please refer to our online Agent database at www.murdoch.edu.au/Apply-via-an-agent. Additionally, some Agents may charge additional fees for their services. Please ensure you establish all costs, including out of pocket expenses, prior to initiating any services via your preferred agent.

3 Your Enrolment

Congratulations, you are nearly ready to kick-start your exciting new adventure at Murdoch! Before you begin your studies, you will need to go online to prepare your timetable, enrol in your units and sign-up for classes.

Signing up for classes and enrolling in units for the very first time can be a big job! To make things easier, you can start your enrolment process once you land in Perth with the help of our Murdoch professionals. We will have our experts on-hand during Orientation week to take you through a guided enrolment process, meaning you will be ready for the start of semester in no time at all!

Alternatively, to start your enrolment process today, head to goto.murdoch.edu.au/MyInfo

Murdoch
UNIVERSITY

Get career-ready with Murdoch and Perth Arena!

Murdoch is a proud partner of Perth Arena, one of Perth's biggest entertainment venues, giving our students exclusive access to work opportunities and VIP benefits. Learn, work and play in modern and innovative facilities alongside the world's top touring artists and Australia's sporting favourites.

Thanks to our partnership, Murdoch students have access to:

- A dedicated student internship program to learn hands-on skills in the business of managing a major events venue
- Preferred applicant status when applying for jobs at Perth Arena
- Priority queues to beat the crowds
- Special offers and tickets for more than 90 events a year
